2. Select the final name of an email account you want. If it is available, a password box will be appeared.

The image shows a registration form for a KMUTT account. At the top, there is a circular logo with 'KMUTT' and a grid of dots. Below the logo, the text 'ACCOUNT' and 'Email Registration' are displayed. The form consists of several input fields and a confirmation box. The first field contains the number '54432046' and a yellow 'Check' button. The second field is labeled 'Fullname' and contains 'TESTACCOUNT CCKMUTT'. The third field is labeled 'Account' and is split into two parts: 'testaccount.' and 'test'. Below this, a white box displays the resulting account: 'Account testaccount.test@mail.kmutt.ac.th' with a green checkmark and the text 'is available.'. The final field is labeled 'Password' and contains the placeholder text 'KMUTT Password here ...'.
